VISION:

Making a difference in the lives of at-risk youth and shelter dogs in every community.

MISSION:

We help at-risk youth develop the skills they need to become more caring, responsible and empathetic members of their community.

We do this by partnering youth with shelter dogs through our innovative canine-assisted intervention programs.

The transformative power of the human-canine bond results in a significant heartfelt change for the youth and increased adoptability for the dogs.

In consideration of my participation in the 5k run on May 18, 2013, I release and forever discharge the officers, directors, participants and assigns from any & all claims, demands, causes of actions, suits, damages, costs and expenses for any and all personal injuries, loss of work time, pain and suffering or property damage arising out of or occurring in connection with my participation in this event administered by Pawsitive Works.™

I recognize and acknowledge that my participation in this event and that of my dog(s) is solely at my own risk. I acknowledge that my participation in this event may expose me to risk of injury or possibly demise. I further understand that this Release is absolute as to all claims, demands, causes or actions, suits, damages, costs and expenses which could occur while I am participating in this event except those claims or demands arising out of gross negligence of the sponsoring organization.
