2016 North Idaho Cereal Schools

Eight cereal school events are held across the state, including three in northern Idaho. They are sponsored by the Idaho Wheat Commission, the Idaho Barley Commission, and the University of Idaho. These educational workshops provide an opportunity for producers to learn about issues in their region, including insect issues, disease updates, variety trials, weed control, economics, markets, and other important issues.

Program Agenda

8:00 AM— **Sign in and refreshments**

8:15 AM— **Welcome & Introductions**

8:20 AM— **Idaho Wheat Commission** A representative will provide an update on current issues and markets

8:40 AM— **Idaho Barley Commission** Kelly Olson will provide an update on current issues and markets

9:00 AM— **Variety testing and liming research in wheat-legume rotations**

Kurt Schroeder, Cropping Systems Agronomist, UI Extension

9:40 AM— **Regional soil pH survey results** Doug Finkelnburg, Cropping Systems Educator, UI Extension

10:15 AM— **Break**

10:30 AM— **Grassy and broadleaf weed control in cereals and legumes**

Traci Rauch, UI Support Scientist

11:00 AM— **Canola Production Update:**

Economics, variety performance, and location specific issues like winter survival. Jim Davis, UI Support Scientist

11:30 AM— **North Idaho Crop Cost and Return Updates for 2016** Kate Painter,

UI Extension, Boundary County
